## The Aim of the Parent Teacher Association

Develop effective relationships and communication between the staff, parent and others associated with our school. To organize events and activities for the enjoyment of our students, their families and the wider community.

The PTA is also very conscious of the ethos and morals of our school and when organizing and planning events we will continually try very hard to respect this. More than anything else we want to support, speak out and make a difference on behalf of our students and encourage parent involvement in our school.
